Brooklyn Laundromat Investment Research Report

Date: February 6, 2026
Location Focus: Brooklyn, New York
Research Type: Market Analysis & Investment Opportunity Assessment

Executive Summary

Brooklyn presents a compelling opportunity for laundromat investment, driven by high population density (38,000+ residents per square mile), strong rental market participation (65%+ renters),

and consistent demand for laundry services. The borough's 2.6+ million residents, median household income of \$78,548-\$81,084, and diverse neighborhoods create multiple viable investment opportunities.

Key Findings:

- **Profit Margins:** 20-35% industry standard, with well-operated locations reaching 40%
- **ROI Potential:** 25-66% annual return on investment
- **Startup Costs:** \$200,000-\$500,000 for established businesses
- **Active Listings:** Multiple Brooklyn laundromats currently available (\$250,000-\$1,248,624)
- **Best Neighborhoods:** Bed-Stuy, Crown Heights, Park Slope, Williamsburg, Bushwick
- **Market Drivers:** High rental rates (\$3,200-\$4,643/month), limited in-unit laundry, dense population

1. Brooklyn Market Analysis

1.1 Demographics Overview

Population Statistics:

- Total Population: 2,646,247 (NYC's largest borough)
- Population Density: 38,000 residents per square mile (average)
- Median Age: 38 years
- Median Household Income: \$78,548-\$81,084
- Per Capita Income: \$47,250-\$55,288
- Rental Market Penetration: 65%+ renters (ideal for laundromat demand)

High-Density Neighborhoods (Prime Targets):

- Borough Park: 55,000 people/sq mi
- Bed-Stuy: 34,000 people/sq mi
- Williamsburg: 30,000+ people/sq mi
- Crown Heights: 32,000+ people/sq mi
- Bushwick: 28,000+ people/sq mi

1.2 Rental Market Analysis

Average Monthly Rent by Neighborhood (2026):

- **Brooklyn Overall:** \$4,323/month average
- **Williamsburg:** \$4,643/month (Studio: \$4,000, 1BR: \$4,524)
- **Brooklyn Heights:** \$4,550/month
- **Downtown Brooklyn:** \$3,369 (Studio), \$4,100 (1BR)

- **Park Slope:** Moderate decline (-0.91% YoY), still premium
- **Crown Heights:** Stable (+0.23% YoY), affordable
- **Bed-Stuy:** Rising demand, gentrifying rapidly

Market Implications:

- High rental costs = fewer residents have in-unit laundry
- Renters constitute primary customer base for laundromats
- Neighborhoods with \$3,500-\$4,500 rents show highest laundromat utilization
- Young professionals (25-40) and families drive consistent demand

1.3 Target Customer Base

Primary Demographics:

1. Young Professionals (25-35 years old)

- High concentration in Williamsburg, Park Slope, Bushwick
- Value convenience, will pay premium for modern amenities
- Prefer card/app-based payment systems
- Drive pickup & delivery service revenue

2. Families with Children

- Strong presence in Crown Heights, Bed-Stuy, Park Slope
- Higher laundry volume per household
- Loyal customer base
- Appreciate folding services

3. Students & Recent Graduates

- Near Pratt Institute (Clinton Hill), NYU areas
- Budget-conscious but consistent users
- Off-peak hour utilization

4. Working-Class Residents

- Substantial in Sunset Park, East New York, Flatbush
- Core traditional customer base
- Coin-operated preference
- High volume, price-sensitive

2. Brooklyn Neighborhood Analysis

2.1 Best Neighborhoods for Investment

Tier 1: Prime Investment Locations

1. Bedford-Stuyvesant (Bed-Stuy)

- **Population Density:** 34,000/sq mi
- **Median Income:** \$55,000-\$65,000
- **Rental Rate:** 75%+ renters
- **Investment Rating:** ★★★★★
- **Why Invest:**
 - Rapidly gentrifying with improving demographics
 - Limited modern laundromat facilities
 - High foot traffic on major corridors (Fulton St, Nostrand Ave)
 - Strong local community support
 - Moderate commercial rents (\$3,500-\$5,500/month for retail space)
- **Challenges:**
 - Increasing competition as area develops
 - Need to balance pricing for diverse income levels

2. Crown Heights

- **Population Density:** 32,000/sq mi
- **Median Income:** \$60,000-\$70,000
- **Rental Rate:** 70%+ renters
- **Investment Rating:** ★★★★★
- **Why Invest:**
 - Diverse, stable residential community
 - Near subway access (2/3/4/5 trains)
 - Balanced mix of young professionals and families
 - Growing restaurant/retail scene = foot traffic
 - Commercial rent: \$4,000-\$6,000/month
- **Challenges:**
 - Some existing established laundromats

3. Park Slope

- **Population Density:** 28,000/sq mi
- **Median Income:** \$95,000-\$120,000

- **Rental Rate:** 60% renters
- **Investment Rating:** ★★★★★
- **Why Invest:**
 - Affluent families willing to pay for premium services
 - High demand for wash-and-fold, pickup/delivery
 - Excellent customer retention
 - Safe, stable neighborhood
- **Challenges:**
 - Higher commercial rents (\$7,000-\$12,000/month)
 - Established competition (5th Ave Laundromat, Clean Rite)
 - Requires modern, upscale facility to compete

Tier 2: Strong Growth Potential

4. Bushwick

- **Population Density:** 28,000/sq mi
- **Median Income:** \$50,000-\$60,000
- **Rental Rate:** 80%+ renters
- **Investment Rating:** ★★★★★
- **Why Invest:**
 - Young artist/creative community
 - Rapidly developing with new residential construction
 - Lower commercial rents (\$3,000-\$5,000/month)
 - High demand, underserved in some areas
- **Challenges:**
 - Income levels moderate
 - Need competitive pricing

5. Williamsburg

- **Population Density:** 30,000/sq mi
- **Median Income:** \$80,000-\$100,000
- **Rental Rate:** 65% renters
- **Investment Rating:** ★★★★★
- **Why Invest:**
 - Tech workers, young professionals, families
 - Premium pricing potential
 - Strong pickup/delivery demand
 - High foot traffic near Bedford Ave

- **Challenges:**

- Very high commercial rents (\$8,000-\$15,000/month)
- Significant chain competition (Spin Laundromat established)
- Market saturation in prime areas

6. Sunset Park

- **Population Density:** 35,000/sq mi
- **Median Income:** \$45,000-\$55,000
- **Rental Rate:** 80%+ renters
- **Investment Rating:** ★★★★★
- **Why Invest:**
 - Extremely high density
 - Large immigrant population = high laundry volume
 - Lower acquisition costs
 - Active BizBuySell listing available
- **Challenges:**
 - Lower income = price sensitivity
 - Traditional coin-operated preference

Tier 3: Emerging Opportunities

7. Flatbush / East Flatbush

- Underserved areas with growing populations
- Lower entry costs
- Higher risk, higher reward potential

8. Greenpoint

- Similar to Williamsburg but slightly less saturated
- Polish community + young professionals
- Good margins possible

2.2 Commercial Rent Comparison

Neighborhood	Monthly Rent (1,500 sq ft)	Commercial Viability
Bed-Stuy	\$3,500-\$5,500	Excellent
Crown Heights	\$4,000-\$6,000	Excellent
Bushwick	\$3,000-\$5,000	Very Good
Sunset Park	\$3,000-\$4,500	Very Good
Park Slope	\$7,000-\$12,000	Good (requires premium pricing)
Williamsburg	\$8,000-\$15,000	Moderate (high volume needed)
Downtown Brooklyn	\$10,000-\$18,000	Low (too expensive)

3. Competition Analysis

3.1 Chain & Franchise Competitors

Major Players in Brooklyn:

1. Spin Laundromat (Bushwick)

- Modern, upscale facility with 48+ brand new machines
- Self-service and full-service options
- App-based payment and notifications
- Target: young professionals, tech-savvy customers
- Competitive Threat: High in Williamsburg/Bushwick area

2. WashClub NYC

- Pickup & delivery service across Brooklyn
- Same-day pickup, 24-hour delivery
- Mobile app scheduling
- Serves: Williamsburg, Park Slope, Brooklyn Heights, DUMBO
- Competitive Threat: Moderate (different business model, complements rather than competes)

3. Clean Rite Center

- Large chain with 150+ washers/dryers per location
- Multiple Brooklyn locations
- Focus on spacious, modern facilities

- Present in: Park Slope, other established neighborhoods
- Competitive Threat: High in established areas, requires differentiation

4. Bubble Up Laundromat (Park Slope)

- Pickup & delivery specialist
- Serves Park Slope zip codes (11215, 11217)
- Residential wash-and-fold and commercial laundry
- Competitive Threat: Moderate (service-focused, not self-service competition)

5. Brooklyn Wash N Fold

- Serves multiple neighborhoods (Williamsburg, Park Slope, Bushwick, Brooklyn Heights)
- Focus on busy professionals and families
- Quick turnaround services
- Competitive Threat: Moderate (pickup/delivery niche)

3.2 Independent Competitors

Characteristics:

- 80% of Brooklyn laundromats are independent, family-owned operations
- Many operate with outdated equipment (10-20 year old machines)
- Coin-operated systems (no card/app payment)
- Basic amenities (no WiFi, limited seating, no premium services)
- Hours: typically 6:00 AM - 10:00 PM

Competitive Advantages for New Entrants:

1. Modern equipment (faster, more efficient)
2. Card/mobile payment systems
3. Superior customer experience (WiFi, comfortable seating, TV, vending)
4. Pickup & delivery services
5. Loyalty programs and app-based promotions
6. Extended hours (24-hour operations)
7. Professional management vs. absentee ownership

3.3 Market Saturation Analysis

Underserved Areas:

- Northern Bed-Stuy (Flushing Ave corridor)
- Parts of Crown Heights (away from Franklin Ave)
- East Flatbush
- Canarsie

- Southeastern Brooklyn neighborhoods

Saturated Areas (Avoid or Differentiate):

- Downtown Brooklyn
- DUMBO
- Brooklyn Heights
- Prime Williamsburg (Bedford Ave corridor)
- Park Slope (7th Ave corridor)

Sweet Spot:

- Emerging neighborhoods (Bed-Stuy, Crown Heights, Bushwick)
- Areas with growing young professional populations
- Locations near new residential developments
- 0.5-1 mile from existing modern laundromats

4. Active Listings - Brooklyn Laundromats for Sale

4.1 BizBuySell Active Listings (February 2026)

Listing #1: Spacious Brooklyn Laundromat - Premium Location

- **Asking Price:** \$1,248,624
- **Location:** Brooklyn (specific neighborhood not disclosed)
- **Size:** 7,000 sq ft
- **Equipment:** Huebsch - 60 washers, 64 dryers
- **Annual Revenue:** \$1,248,624 (gross sales)
- **Net Income:** \$437,784
- **Profit Margin:** 35.0%
- **Lease:** Details not specified
- **Payment System:** Card-based with 2 kiosks
- **Seller Reason:** Moving out of state
- **Investment Quality:** ★★★★★ (Excellent)
- **ROI Calculation:** $\$437,784 / \$1,248,624 = 35.0\%$ annual ROI
- **Contact:** Via BizBuySell listing
- **Analysis:**
 - Excellent profit margins and cash flow
 - Modern card system already installed
 - Large facility = economies of scale
 - Net income of \$437K supports strong financing options

- Quick sale opportunity

Listing #2: Newly Renovated Laundromat - Brooklyn

- **Asking Price:** Not disclosed
- **Location:** Brooklyn (opened January 2025)
- **Size:** 1,500 sq ft
- **Annual Revenue:** \$240,000
- **Monthly Rent:** \$5,000
- **Equipment:** 37 coin-operated machines
- **Years Established:** 35 years
- **Recent Upgrades:** Store recently renovated
- **Listing ID:** HS-65645
- **Investment Quality:** ★★★★★ (Very Good)
- **Analysis:**
 - Long-established customer base
 - Affordable rent for Brooklyn (\$5,000/month)
 - Recent renovation = modern appeal
 - Revenue: $\$240,000 / 12 = \$20,000/\text{month gross}$
 - Estimated net (at 25% margin): \$60,000/year
 - Good entry-level opportunity

Listing #3: High-Volume Brooklyn Laundromat

- **Asking Price:** Not disclosed
- **Location:** Brooklyn (busy street, densely populated residential/commercial area)
- **Equipment:** Wascomat - 30 washers, 30 dryers
- **Description:** Profitable, high-volume operation
- **Characteristics:** Great potential for growth
- **Investment Quality:** ★★★★★ (Very Good)
- **Analysis:**
 - Premium location in dense area
 - Quality Wascomat equipment (European brand)
 - Growth potential indicates room for optimization
 - Likely absentee-owned, opportunity for improvement

Listing #4: Prime Brooklyn Laundromat

- **Asking Price:** \$250,000
- **Location:** Brooklyn, NY
- **Annual Revenue:** \$400,000

- **Net Income:** \$100,000
- **Years Established:** 20+ years
- **Listing Contact:** Oxford Property Group and REMAX City Square
- **Investment Quality:** ★★★★★ (Excellent)
- **ROI Calculation:** $\$100,000 / \$250,000 = 40\%$ annual ROI
- **Analysis:**
 - Outstanding ROI at 40%
 - Well-established business (20 years)
 - Strong cash flow (\$100K net)
 - Price point accessible for first-time investors
 - Excellent financing potential with demonstrated cash flow

Listing #5: Brooklyn Laundromat - Monthly Revenue \$21,000

- **Asking Price:** Not disclosed
- **Location:** Brooklyn
- **Size:** 1,200 sq ft
- **Monthly Revenue:** \$21,000
- **Annual Revenue (calculated):** \$252,000
- **Equipment:** 23 washers + 22 dryers (approx. 10 years old)
- **Payment:** Coin-operated
- **Staffing:** 2 part-time employees
- **Hours:** 8:00 AM - 8:30 PM
- **Parking:** Not available
- **Lease:** 10 years remaining
- **Investment Quality:** ★★★ (Good)
- **Analysis:**
 - Solid revenue (\$252K annual)
 - Equipment aging (10 years) = potential CAPEX needed
 - Long lease provides stability
 - Limited hours = expansion opportunity (extend to 10 PM or 24-hour)
 - Coin-only = modernization opportunity with cards/app

Listing #6: Sunset Park Turnkey Laundromat

- **Asking Price:** Not disclosed
- **Location:** Sunset Park, Brooklyn
- **Size:** Approximately 1,600 sq ft
- **Characteristics:**

- High foot-traffic area
- Loyal customer base
- Strong neighborhood demand
- Turnkey operation
- **Hours:** 6:00 AM - 10:00 PM
- **Investment Quality:** ★★★★★ (Very Good)
- **Analysis:**
 - Excellent location in dense Sunset Park
 - Established customer loyalty
 - Early opening (6 AM) captures morning crowd
 - Turnkey = minimal setup time

Listing #7: Large Brooklyn Laundromat with Building

- **Asking Price:** Not disclosed (Real Estate Listing)
- **Location:** Brooklyn (one block from train station)
- **Size:** 3,865 sq ft building
- **Equipment:** 50 washers + 50 dryers (10 years old)
- **Characteristics:**
 - Very busy street
 - High-density populated area
 - Near major transit
- **Investment Quality:** ★★★★★ (Excellent - Real Estate Included)
- **Analysis:**
 - Building ownership = no rent risk
 - Large facility = high volume potential
 - Near subway = excellent foot traffic
 - Equipment will need replacement cycle in 5-10 years
 - Real estate appreciation potential in Brooklyn

4.2 LoopNet Listings

Multiple Brooklyn laundromat listings available on LoopNet (Kings County), including:

- Revenue breakdown: Self-service 45%, Pickup & Delivery 35%
- 13 x 20lb Wacomat washers, 6 x 45lb units
- Various sizes and price points

Note: LoopNet and BizBuySell have significant overlap; access detailed listings directly on their platforms.

4.3 Craigslist Brooklyn

Craigslist searches for Brooklyn laundromat businesses typically yield:

- Smaller, owner-operated facilities
- Lower asking prices (\$50,000-\$150,000)
- Less formal documentation
- Higher risk, potential value plays
- Due diligence critical

Recommended Action: Check Craigslist weekly for new postings; contact sellers immediately as good deals move fast.

4.4 Investment Quality Ranking

Ranking	Listing	Price	Net Income	ROI	Why Top-Ranked
1	Prime Brooklyn (20 years)	\$250,000	\$100,000	40%	Best ROI, affordable entry
2	Spacious 7,000 sq ft	\$1,248,624	\$437,784	35%	High volume, modern systems
3	Building + 50 machines	TBD	TBD	TBD	Real estate ownership
4	Newly Renovated	TBD	~\$60,000 est	~25%	Fresh renovation, established
5	Sunset Park Turnkey	TBD	TBD	TBD	Great location, loyal base
6	\$21K monthly revenue	TBD	~\$63,000 est	~25%	Solid revenue, modernization upside
7	High-Volume Wascomat	TBD	TBD	TBD	Growth potential

5. Brooklyn-Specific Regulations & Permits

5.1 Required Licenses & Permits

1. Industrial Laundry License (NYC Department of Consumer Affairs - DCWP)

- **Required For:** Any laundromat business in New York City
- **Application Process:**

- Submit application to NYC DCWP
- Business must be registered with NYS Division of Corporations (if LLC, Corp, LLP, LP)
- Certificate of Occupancy showing “laundry,” “laundromat,” or “Use Group 6 or 16”
- If no C.O., obtain Letter of No Objection from NYC Buildings Dept
- Background check and fingerprinting
- Compliance certification with all applicable laws
- **Cost:** \$340 application fee (2-year license)
- **Processing Time:** 6-12 weeks
- **Renewal:** Every 2 years

2. Industrial Laundry Delivery License

- **Required For:** Businesses offering pickup & delivery services
- **Separate License:** Required in addition to standard laundry license
- **Purpose:** Regulates movement of laundry items between locations

3. Certificate of Occupancy (C.O.)

- Must state “laundry,” “laundromat,” or proper Use Group classification
- Required before DCWP will issue operating license
- Obtain from NYC Department of Buildings
- If purchasing existing laundromat, verify valid C.O. in due diligence

4. Business Licenses & Registrations

- **NYC Business Tax Registration** (Department of Finance)
- **Sales Tax Certificate of Authority** (NYS Department of Taxation)
- **EIN (Employer Identification Number)** - IRS
- **DBA (Doing Business As)** registration if using trade name

5. Utility Permits

- **Water Permit:** Required for high-volume water usage
- **Sewer Connection Permit:** NYC DEP approval
- **Electrical Permit:** For commercial electrical installations/upgrades
- **Gas Permit:** If using gas dryers (most commercial dryers)

Important: Coordinate with NYC Buildings, DEP, and utility providers early in acquisition process.

5.2 Health & Safety Compliance

NYC Health Code Requirements:

- Proper ventilation systems
- Hot water availability (minimum temperature requirements)
- Waste disposal procedures
- Regular inspections by Health Department
- Compliance with Americans with Disabilities Act (ADA)

Building Code Compliance:

- Fire safety systems (extinguishers, alarms, emergency exits)
- Electrical code compliance (commercial-grade wiring)
- Plumbing code (commercial fixtures, backflow prevention)
- HVAC requirements (ventilation, air quality)

Labor Law Compliance (if hiring employees):

- NYC Minimum Wage: \$16.00/hour (2024, adjusted annually)
- Workers' Compensation Insurance
- Unemployment Insurance
- OSHA workplace safety standards
- Mandatory posting requirements

5.3 Environmental Regulations**Water Usage & Conservation:**

- Brooklyn/NYC encourages high-efficiency machines
- Potential rebates for water-saving equipment
- Wastewater discharge permits

Chemical Storage & Handling:

- If offering wash-and-fold with commercial detergents
- Proper storage of cleaning chemicals
- Material Safety Data Sheets (MSDS) on file
- Employee training on handling procedures

5.4 Zoning Considerations**Permitted Zones for Laundromats:**

- Commercial Districts (C1, C2, C4, C6, C8)
- Mixed-Use Districts (M1-1 through M1-4)
- Some residential neighborhoods with commercial corridors

Not Permitted:

- Exclusively residential zones

- Manufacturing districts (unless mixed-use)

Verify Zoning:

- Check NYC Zoning & Land Use Map (ZoLa)
- Confirm with Community Board
- Review with real estate attorney before lease/purchase

5.5 Timeline for Opening

Typical Timeline for Acquiring Existing Laundromat:

1. **Due Diligence:** 2-4 weeks
2. **Financing Approval:** 4-8 weeks
3. **License Applications:** 6-12 weeks (can overlap with financing)
4. **Closing & Transfer:** 2-4 weeks
5. **Total:** 3-6 months from LOI to opening

For New Build/Renovation:

- Add 3-6 months for construction, equipment installation, inspections

5.6 Key Regulatory Contacts

- **NYC Department of Consumer Affairs (DCWP):** licensing.nyc.gov
- **NYC Department of Buildings:** www1.nyc.gov/site/buildings
- **NYC Department of Environmental Protection:** www.nyc.gov/dep
- **NYS Division of Corporations:** dos.ny.gov/corporations
- **Small Business Services (SBA):** www1.nyc.gov/site/sbs

Recommended: Hire experienced NYC business attorney familiar with laundromat regulations (budget \$3,000-\$7,000 for licensing/permit assistance).

6. Financial Analysis

6.1 Industry Profitability Benchmarks

Profit Margins:

- **Industry Average:** 20-35%
- **Well-Managed Operations:** 30-40%
- **Premium Locations (Park Slope, Williamsburg):** 35-45%
- **Underperforming/Mismanaged:** 10-20%

Revenue Breakdown (Typical Brooklyn Laundromat):

- **Self-Service Washers:** 40-50% of revenue

- **Self-Service Dryers:** 25-35% of revenue
- **Wash-and-Fold Services:** 15-25% of revenue
- **Pickup & Delivery:** 5-20% of revenue (growing segment)
- **Vending (detergent, snacks, drinks):** 2-5% of revenue

Cost Structure:

Expense Category	% of Revenue	Notes
Rent	15-25%	Higher in premium areas
Utilities (water, electric, gas)	20-30%	Largest variable cost
Labor	8-15%	Higher with full-service offerings
Equipment Maintenance	3-6%	Includes repairs, parts
Supplies (detergent, bags, etc.)	2-4%	For wash-and-fold service
Insurance	2-4%	General liability, property
Marketing	1-3%	Local advertising, promotions
Miscellaneous	2-5%	Security, cleaning, misc.
Total Operating Expenses	65-75%	Leaves 25-35% net profit

6.2 ROI Projections for Brooklyn Market

Scenario 1: Established Laundromat (Existing Business)

- **Purchase Price:** \$250,000
- **Annual Net Income:** \$100,000
- **ROI:** 40% annually
- **Payback Period:** 2.5 years
- **5-Year Profit (assuming stable performance):** \$500,000
- **Equity Build:** \$250,000 initial + \$500,000 profit = \$750,000 value (before appreciation)

Scenario 2: Larger Established Laundromat

- **Purchase Price:** \$1,248,624
- **Annual Net Income:** \$437,784
- **ROI:** 35% annually
- **Payback Period:** 2.85 years
- **5-Year Profit:** \$2,188,920
- **Equity Build:** Significant wealth creation

Scenario 3: Build New Laundromat (From Scratch)

- **Total Investment:** \$500,000
 - Equipment: \$250,000
 - Buildout/Renovation: \$150,000
 - Lease Deposits & Working Capital: \$100,000
- **Projected Annual Revenue (mature, Year 3+):** \$400,000
- **Projected Net Income (30% margin):** \$120,000
- **ROI:** 24% annually (after maturity)
- **Payback Period:** 4.2 years
- **Higher Risk, Higher Potential:** Can customize to market, but longer ramp-up

Brooklyn Market Premium:

- Brooklyn laundromats command 10-20% higher valuations than outer boroughs
- Strong demographics support premium pricing (can charge 10-15% above Queens/Bronx)
- Real estate appreciation adds long-term value if owning building

6.3 Typical Startup Costs (Brooklyn-Specific)

Option A: Purchase Existing Turnkey Business

Item	Cost Range
Business Purchase Price	\$150,000 - \$1,500,000
Security Deposit (3 months rent)	\$15,000 - \$45,000
Working Capital (3-6 months expenses)	\$30,000 - \$75,000
Professional Fees (attorney, accountant, broker)	\$10,000 - \$25,000
Licenses & Permits	\$5,000 - \$10,000
Initial Inventory (supplies)	\$3,000 - \$5,000
Total (Turnkey Acquisition)	\$213,000 - \$1,660,000

Option B: Build-Out New Laundromat (Leased Space)

Item	Cost Range
Commercial Washers (20-50 units @ \$2,500-\$5,000 each)	\$50,000 - \$250,000
Commercial Dryers (20-50 units @ \$1,500-\$3,000 each)	\$30,000 - \$150,000
Installation & Plumbing	\$25,000 - \$75,000
Electrical Upgrades (220V, 3-phase power)	\$20,000 - \$50,000
HVAC & Ventilation	\$15,000 - \$40,000
Flooring, Walls, Lighting	\$20,000 - \$50,000
Seating, Décor, Signage	\$10,000 - \$25,000
POS/Payment System (card readers, kiosks, app)	\$15,000 - \$30,000
Security System (cameras, alarms)	\$5,000 - \$15,000
Lease Deposit (6 months typical in Brooklyn)	\$18,000 - \$90,000
Licenses & Permits	\$5,000 - \$10,000
Working Capital (6 months)	\$50,000 - \$100,000
Professional Fees	\$15,000 - \$30,000
Total (New Build-Out)	\$278,000 - \$915,000

Brooklyn Premium: Expect costs 15-25% higher than national averages due to:

- Higher labor costs (union labor for construction)
- Stricter building codes and inspections
- Premium for experienced commercial contractors
- Higher security requirements
- More expensive equipment delivery/installation

6.4 Revenue Expectations by Neighborhood

High-Income Areas (Park Slope, Williamsburg, Brooklyn Heights):

- **Annual Revenue:** \$350,000 - \$600,000 (for 2,000-3,000 sq ft)
- **Wash-and-Fold Premium:** Can charge \$1.75-\$2.25/lb (vs. \$1.25-\$1.50 elsewhere)
- **Pickup/Delivery:** 20-30% of revenue (high demand)
- **Customer LTV:** Higher loyalty, premium pricing accepted

Middle-Income Areas (Crown Heights, Bed-Stuy, Bushwick):

- **Annual Revenue:** \$250,000 - \$450,000
- **Volume-Based:** High transaction count, moderate pricing
- **Mix:** 50% self-service, 30% wash-and-fold, 20% delivery
- **Growth Potential:** Rapidly improving demographics = pricing power increases

Lower-Income Areas (Sunset Park, East Flatbush, Canarsie):

- **Annual Revenue:** \$200,000 - \$350,000
- **Volume-Driven:** High machine utilization, lower per-transaction revenue
- **Self-Service Dominant:** 70-80% self-service
- **Competitive Pricing:** Must stay price-competitive
- **Reliability Focus:** Customer loyalty through consistent service, fair pricing

6.5 Financing Options

1. SBA 7(a) Loan

- **Loan Amount:** Up to \$5 million
- **Down Payment:** 10-20%
- **Term:** 10-25 years (equipment/working capital: 10 years; real estate: 25 years)
- **Interest Rate:** Prime + 2.25% - 2.75%
- **Best For:** Established businesses with 2+ years financials
- **Brooklyn Advantage:** Strong demand, proven cash flows make approval easier

2. SBA 504 Loan (Real Estate Purchase)

- **Loan Amount:** Up to \$5 million
- **Down Payment:** 10%
- **Term:** 20-25 years
- **Best For:** Purchasing building + business together
- **Structure:** 50% bank loan, 40% SBA-backed CDC loan, 10% down payment

3. Conventional Commercial Loan

- **Down Payment:** 20-30%
- **Term:** 5-10 years
- **Interest Rate:** 6-9%
- **Faster Approval:** Than SBA (4-6 weeks vs. 8-12 weeks)

4. Seller Financing

- **Common in Laundromat Sales:** Many owners willing to finance 20-40% of purchase
- **Terms:** 5-7 years, 6-8% interest
- **Down Payment:** 30-50%

- **Advantage:** Easier approval, seller has skin in success

5. Equipment Financing / Leasing

- **Covers:** Washers, dryers, payment systems
- **Down Payment:** 0-20%
- **Term:** 5-7 years
- **Advantage:** Preserves working capital
- **Consideration:** Higher total cost vs. cash purchase

Recommended Strategy for First-Time Investors:

- Target \$250,000-\$500,000 turnkey businesses
- SBA 7(a) with 15% down = \$37,500-\$75,000 cash needed
- Plus \$30,000-\$50,000 working capital
- **Total Cash Required:** \$67,500-\$125,000
- **Monthly Cash Flow (after debt service):** \$5,000-\$10,000

6.6 Break-Even Analysis

Example: \$400,000 Acquisition in Crown Heights

- **Purchase Price:** \$400,000
- **SBA Loan:** \$340,000 (85% LTV)
- **Down Payment:** \$60,000
- **Loan Payment:** ~\$3,800/month (10 years @ 7.5%)
- **Monthly Rent:** \$5,000
- **Monthly Utilities:** \$4,000
- **Monthly Labor (part-time):** \$2,500
- **Other Expenses:** \$2,000
- **Total Monthly Fixed Costs:** \$17,300

Break-Even Revenue:

- At 30% net margin: $\$17,300 / 0.30 = \$57,667/\text{month} = \$692,000/\text{year}$
- **This is high** - indicates need for strong performance or higher margins

Better Scenario (Smaller, Higher ROI):

- **Purchase Price:** \$250,000
- **Down Payment:** \$50,000
- **Loan Payment:** \$2,200/month
- **Rent:** \$4,000
- **Utilities:** \$3,000

- **Labor:** \$1,500
- **Other:** \$1,500
- **Total Fixed Costs:** \$12,200
- **Break-Even Revenue:** $\$12,200 / 0.30 = \$40,667/\text{month} = \$488,000/\text{year}$
- **Actual Revenue (per listing):** \$400,000 (conservative)
- **Below Break-Even?** No - this analysis assumes net margin, but business already shows \$100K net profit
- **Healthy Cash Flow:** ~\$6,000/month after all expenses and debt service

Key Insight: Purchase price and financing structure matter tremendously. Prioritize cash-flowing businesses over size.

7. Brooklyn Market Strengths & Challenges

7.1 Market Strengths (Why Brooklyn is Attractive)

✓ High Population Density

- 38,000+ people per square mile
- Concentrated customer base within walking distance
- High foot traffic

✓ Strong Rental Market

- 65-80% renters (depending on neighborhood)
- Most apartments lack in-unit laundry
- Rental market expected to remain strong through 2030+

✓ Diverse Demographics

- Mix of income levels supports various business models
- Young professionals value convenience/premium services
- Working-class families provide volume base
- Multi-generational customer base

✓ Improving Neighborhoods

- Gentrification in Bed-Stuy, Crown Heights, Bushwick
- Rising incomes = pricing power
- New residential construction = growing customer base

✓ Public Transportation

- Excellent subway/bus access
- Car ownership low = laundromat necessity

- Near subway stations = prime foot traffic

✓ **Recession-Resistant**

- Laundry is non-discretionary expense
- Performed well during 2008-2009, 2020 downturns
- Consistent demand regardless of economic conditions

✓ **Cash Flow Business**

- Daily cash collection (self-service)
- Minimal receivables
- Predictable monthly revenue

✓ **Scalability**

- Can add wash-and-fold services
- Pickup/delivery expansion
- Multiple locations possible
- Commercial laundry contracts (restaurants, salons, gyms)

7.2 Market Challenges (Risks to Consider)

⚠ **High Commercial Rents**

- Brooklyn rents 25-50% higher than outer boroughs
- Rent increases can compress margins
- Lease negotiations critical

⚠ **Utility Costs**

- Water, electric, gas expensive in NYC
- Can reach 25-30% of revenue
- Energy-efficient equipment essential but costly

⚠ **Intense Competition in Prime Areas**

- Park Slope, Williamsburg saturated
- Chain competitors (Spin, Clean Rite) well-funded
- Need strong differentiation

⚠ **Regulatory Complexity**

- NYC licensing bureaucracy
- Multiple agencies, permits, inspections
- Compliance costs (attorney, ongoing fees)

⚠ **Labor Costs**

- NYC minimum wage \$16/hour (rising)
- If offering full-service, labor is 12-18% of revenue
- Benefits, taxes add 25-35% to base wage

⚠ **Equipment Costs & Maintenance**

- Commercial machines expensive (\$2,500-\$5,000 per washer)
- Heavy use = frequent repairs
- Replacement cycle 10-15 years = ongoing CAPEX

⚠ **Gentrification Double-Edge**

- While improving demographics, can price out loyal customers
- Rising rents may force relocation
- Balance between upgrading and maintaining affordability

⚠ **Technology Disruption Risk**

- App-based pickup/delivery services (WashClub, etc.) growing
- Could reduce self-service demand
- **Mitigation:** Offer own pickup/delivery, partner with apps

⚠ **Water/Utility Regulation Changes**

- NYC may impose water conservation mandates
- Potential surcharges on high-volume users
- Stay informed on DEP regulations

7.3 Mitigation Strategies

For High Rents:

- Negotiate long-term leases (10+ years) with capped increases
- Target emerging neighborhoods (Bed-Stuy, Crown Heights) before rents spike
- Consider purchasing building (if financially feasible)

For Competition:

- Invest in modern equipment and amenities
- Superior customer service
- Loyalty programs (app-based, punch cards)
- Niche services (eco-friendly detergent, pet laundry, sneaker cleaning)

For Utility Costs:

- High-efficiency washers (use 30-50% less water)
- LED lighting

- Programmable HVAC
- Monitor usage closely, fix leaks immediately

For Labor Costs:

- Automate where possible (card payment systems reduce cash handling)
- Part-time staffing during peak hours only
- Cross-train employees
- Consider 24-hour unmanned model (with remote monitoring)

For Regulatory Burden:

- Hire experienced attorney at outset
- Build relationships with inspectors, comply proactively
- Join local business associations for advocacy
- Budget for ongoing compliance costs

8. Recommended Investment Strategy

8.1 Ideal First Investment Profile

Target Acquisition:

- **Price Range:** \$200,000 - \$400,000
- **Location:** Crown Heights, Bed-Stuy, or Bushwick
- **Size:** 1,500 - 2,500 sq ft
- **Equipment:** 25-40 machines, less than 10 years old
- **Revenue:** \$250,000 - \$400,000 annually
- **Net Income:** \$75,000 - \$125,000 (30%+ margin)
- **Lease:** 7+ years remaining, reasonable rent (\$4,000-\$6,000/month)
- **Condition:** Turnkey, operational, established customer base

Why This Profile:

- Manageable investment size (SBA 7(a) accessible with \$40,000-\$60,000 down)
- Proven cash flow reduces risk
- Emerging neighborhoods offer growth potential
- Owner can operate semi-absentee or with minimal staff
- Strong cash-on-cash return (30-40%)

8.2 Due Diligence Checklist (Brooklyn-Specific)

Financial Review:

- ☒ 3 years tax returns (verify reported income)

- ☒ 12 months P&L statements
- ☒ Utility bills (verify water, electric, gas costs)
- ☒ Lease agreement (terms, rent increases, renewal options)
- ☒ Equipment list with ages, service records
- ☒ Customer counts (daily, weekly patterns)

Legal & Regulatory:

- ☒ Valid Industrial Laundry License (DCWP)
- ☒ Certificate of Occupancy (correct Use Group)
- ☒ Lease assignability (can you take over lease?)
- ☒ No outstanding violations (Buildings, Health, Fire)
- ☒ Zoning confirmation (laundromat permitted use)
- ☒ Environmental compliance (water discharge permits)

Physical Inspection:

- ☒ Hire laundry equipment specialist for inspection
- ☒ Assess remaining equipment life
- ☒ Plumbing condition (pipes, drains, water heaters)
- ☒ Electrical capacity and condition
- ☒ HVAC system functionality
- ☒ Building condition (roof, walls, floors)
- ☒ ADA compliance

Market Analysis:

- ☒ Visit location multiple times (different days/times)
- ☒ Observe customer traffic, demographics
- ☒ Survey competitors within 0.5 mile radius
- ☒ Check neighborhood trends (crime stats, development projects)
- ☒ Verify foot traffic claims
- ☒ Talk to neighboring businesses

Operational:

- ☒ Understand current pricing structure
- ☒ Review employee situation (if any)
- ☒ Identify immediate improvement opportunities
- ☒ Assess potential for value-add services
- ☒ Evaluate technology/payment systems

8.3 Negotiation Tips for Brooklyn Market

Seller's Market Realities:

- Good laundromats sell quickly in Brooklyn (30-90 days)
- Multiple offers common on well-priced businesses
- Don't lowball on quality listings - you'll lose deal

Negotiation Leverage Points:

- **Equipment Age:** If machines 10+ years old, negotiate discount or seller financing for future CAPEX
- **Lease Terms:** Short remaining lease = lower value; negotiate price reduction or seller's assistance in lease renewal
- **Deferred Maintenance:** Use inspection findings to negotiate credits
- **Seller Financing:** Offer higher price if seller finances 20-30% (reduces your cash needed, seller gets interest)
- **Absentee Owners:** Often willing to accept lower price for quick, clean exit
- **Off-Market Deals:** Direct outreach to owners can avoid bidding wars

Offer Structure (Example):

- **Asking Price:** \$350,000
- **Your Offer:** \$325,000
- **Structure:**
 - \$260,000 SBA loan (80%)
 - \$40,000 buyer down payment (12%)
 - \$25,000 seller note (8%), 6% interest, 5-year term
- **Contingencies:**
 - 30-day due diligence period
 - Financing approval
 - Lease assignment approval
 - No material adverse changes

8.4 Value-Add Opportunities

After Acquisition, Increase Value Through:

1. Modernize Payment Systems

- Add card readers, mobile app payments
- Customer convenience = higher utilization, premium pricing
- Cost: \$15,000-\$25,000
- Revenue Increase: 10-15%

2. Extend Hours

- If currently closing at 8-9 PM, extend to 11 PM or 24 hours
- Capture late-shift workers, night owls
- Minimal cost increase (utilities, potential security)
- Revenue Increase: 8-12%

3. Add Wash-and-Fold Service

- If not currently offered, or expand hours
- Hire 1-2 part-time attendants
- Higher margin service (40-50% margins)
- Revenue Increase: 15-25%

4. Implement Pickup & Delivery

- Partner with delivery apps OR hire driver
- Target busy professionals in Park Slope, Williamsburg
- Charge premium (\$1.75-\$2.25/lb + delivery fee)
- Revenue Increase: 10-30% (can be transformative in affluent areas)

5. Improve Customer Experience

- Free WiFi, comfortable seating, TV, charging stations
- Loyalty program (10th wash free, app-based rewards)
- Cleanliness, fresh paint, good lighting
- Cost: \$5,000-\$15,000
- Result: Higher retention, positive reviews, word-of-mouth

6. Optimize Pricing

- Many owners haven't raised prices in years
- Test 5-10% increases (monitor volume impact)
- Adjust based on competition, neighborhood affluence
- Revenue Increase: 5-10%

7. Add Ancillary Revenue

- Vending machines (snacks, drinks, laundry supplies)
- Detergent/fabric softener sales at premium
- Dry cleaning drop-off partnership (commission)
- Revenue Increase: 3-8%

8. Commercial Contracts

- Reach out to local restaurants, salons, gyms, Airbnb hosts

- Offer bulk laundry services (tablecloths, towels, linens)
- Steady revenue stream, paid invoices
- Revenue Increase: 10-25% (if actively pursued)

Combined Impact:

- Implementing 3-4 of these strategies can increase revenue 25-50%
- Improve net margins from 25% to 35%+
- Increase business value significantly (laundromats sell at 3-4x annual net income)

8.5 Exit Strategy (5-Year Plan)

Typical Path:

1. **Year 1:** Acquire business, stabilize operations, implement quick wins (pricing, hours, loyalty program)
2. **Year 2:** Add wash-and-fold or expand service hours, upgrade 1-2 systems (payment, WiFi)
3. **Year 3:** Implement pickup/delivery or commercial contracts, further equipment upgrades
4. **Year 4-5:** Optimize operations, maximize net income, prepare for sale or hold as cash flow asset

Exit Options:

Option 1: Sell to Next Investor

- Improved business commands premium (4-5x net income vs. 3x when you bought)
- **Example:** Bought for \$300,000, improved net from \$90K to \$150K, sell for \$600,000-\$750,000
- **5-Year Gain:** \$300,000-\$450,000 appreciation + \$750K cumulative cash flow = \$1M+ total return

Option 2: Hold for Cash Flow

- Laundromats can run semi-absentee with good manager
- Collect \$10,000-\$15,000/month passive income
- Equity grows via debt paydown
- Hold 10-20 years, sell or pass to family

Option 3: Expand to Multiple Locations

- Use cash flow and equity from Location #1 to fund Location #2
- Build portfolio of 3-5 laundromats
- Economies of scale (bulk equipment purchasing, shared management)
- Exit: Sell portfolio to private equity or larger operator (8-10x EBITDA multiples possible)

Brooklyn Advantage for Exit:

- Strong buyer demand in Brooklyn (always investors looking)
- Sell faster, at higher multiples than other NYC boroughs
- Option to sell to immigrant entrepreneurs (large buyer pool)

9. Key Recommendations

9.1 Top 3 Investment Targets (February 2026)

#1 BEST OPPORTUNITY: \$250,000 Brooklyn Laundromat (20 years established)

- **Why:** 40% ROI, affordable entry, proven track record
- **Action:** Contact Oxford Property Group / REMAX City Square immediately
- **Financing:** SBA 7(a) with \$50,000 down = accessible
- **Risk Level:** Low (established, strong cash flow)
- **Upside:** Modernization, service expansion can boost revenue 20-30%

#2 STRONG CONSIDERATION: \$1.25M Spacious Brooklyn Laundromat (7,000 sq ft)

- **Why:** 35% ROI, large facility, modern card systems, high volume
- **Action:** Request detailed financials, visit location multiple times
- **Financing:** Larger investment, but \$437K net income supports strong debt service
- **Risk Level:** Low-Moderate (seller moving, quick sale = potential negotiation leverage)
- **Best For:** Experienced investor or partnership

#3 EMERGING OPPORTUNITY: Newly Renovated 1,500 sq ft (\$240K revenue)

- **Why:** Fresh renovation, 35-year established base, affordable rent (\$5K/month)
- **Action:** Inquire on asking price (not disclosed), assess equipment condition
- **Financing:** Likely \$150,000-\$250,000 range based on revenue
- **Risk Level:** Moderate (need to verify revenue claims, coin-only system)
- **Upside:** Add card payments, extend hours, wash-and-fold service

9.2 Neighborhoods to Prioritize

Tier 1 (Best ROI Potential):

1. **Crown Heights** - Balanced demographics, strong growth, manageable rents
2. **Bed-Stuy** - Gentrifying, high density, underserved areas available
3. **Bushwick** - Young professionals, high rental rate, moderate rents

Tier 2 (Premium Market): 4. **Park Slope** - Affluent families, premium pricing, established competition (differentiation required) 5. **Sunset Park** - High density, volume-based model, lower entry costs

Avoid (For Now):

- Downtown Brooklyn (too expensive, office workers not ideal customers)
- Far outer Brooklyn (too far from subway, lower density)
- Over-saturated blocks in Williamsburg

9.3 Action Steps (Next 30 Days)

Week 1: Research & Preparation

- ☒ Contact brokers handling top 3 listings above
- ☒ Schedule visits to Brooklyn neighborhoods (Crown Heights, Bed-Stuy, Bushwick)
- ☒ Visit 5-10 operating laundromats as customer (observe operations, pricing, customer flow)
- ☒ Consult with SBA lender (get pre-qualification)
- ☒ Engage business attorney experienced with Brooklyn laundromats

Week 2: Active Listings Review

- ☒ Request financials on top targets
- ☒ Schedule tours of available businesses
- ☒ Drive/walk neighborhoods at different times (assess foot traffic, safety, vibe)
- ☒ Identify 2-3 finalists

Week 3: Due Diligence Preparation

- ☒ Hire laundry equipment inspector (line up for when in contract)
- ☒ Review leases carefully with attorney
- ☒ Run pro-forma financial models for each target
- ☒ Verify licensing and permit requirements with DCWP
- ☒ Make initial offer on top choice (include due diligence contingency)

Week 4: Negotiation & Contracting

- ☒ Negotiate purchase price and terms
- ☒ Execute Letter of Intent (LOI) or Purchase Agreement
- ☒ Begin formal due diligence period (30 days)
- ☒ Submit SBA loan application
- ☒ Coordinate inspections, title search, lease assignment

Weeks 5-12: Due Diligence, Financing, Closing

- Complete all inspections and reviews
- Finalize SBA loan approval
- Negotiate any price adjustments based on findings
- Coordinate with seller on transition plan

- Close transaction, obtain keys and licenses

Goal: Own your Brooklyn laundromat by Q2 2026 (April-June)

9.4 Risk Mitigation Summary

- ✓ **Start Small:** \$200K-\$400K range reduces financial risk
- ✓ **Prioritize Cash Flow:** Only acquire businesses with demonstrated profitability
- ✓ **Emerging Neighborhoods:** Crown Heights, Bed-Stuy offer best risk/reward balance
- ✓ **Thorough Due Diligence:** Don't skip inspections, financial review, or legal review
- ✓ **Plan for CAPEX:** Budget \$20,000-\$50,000 for equipment repairs/upgrades in first 2 years
- ✓ **Maintain Reserves:** Keep 6 months operating expenses in reserve account
- ✓ **Insurance:** Comprehensive coverage (property, liability, business interruption)
- ✓ **Stay Compliant:** Proactive on permits, licenses, inspections
- ✓ **Reinvest Profits:** First 2 years, reinvest 50% of profits into improvements
- ✓ **Build Relationships:** With equipment suppliers, repair technicians, local inspectors

10. Conclusion

Brooklyn offers exceptional laundromat investment opportunities driven by:

- **Demographics:** 2.6 million residents, high density, strong rental market
- **Economics:** Median incomes \$78K+, diverse neighborhoods support multiple business models
- **Profitability:** 30-40% net margins, 25-66% ROI potential
- **Availability:** Multiple turnkey businesses currently for sale (\$250K-\$1.25M)
- **Growth:** Gentrifying neighborhoods (Bed-Stuy, Crown Heights) offer appreciation potential
- **Resilience:** Recession-resistant, essential service, consistent cash flow

The laundromat industry in Brooklyn remains fundamentally strong, with limited new competition (high barriers to entry: expensive equipment, complex licensing, scarce retail space) and growing demand (new residential construction, rising rental rates, in-unit laundry still rare).

For the right investor - someone willing to be hands-on initially, invest in customer experience, and implement modern systems - Brooklyn laundromats can generate substantial cash flow (2.5-3.5 year payback periods) and long-term wealth creation through both cash distributions and equity appreciation.

Recommended immediate action:

Contact listing agents for the \$250,000 established laundromat and \$1.25M high-volume facility. Tour both, run numbers, make offers. The Brooklyn market moves fast - quality businesses sell within 60-90 days.

The opportunity is now. Brooklyn's demographic trends, strong rental market, and proven laundromat economics make this an ideal time to acquire a cash-flowing laundromat business in one of America's most dynamic urban markets.

Appendix C: Sample Financial Pro Forma

Example: \$350,000 Acquisition in Crown Heights

Revenue (Annual)	Amount
Self-Service Washers	\$180,000
Self-Service Dryers	\$120,000
Wash-and-Fold	\$60,000
Vending & Other	\$10,000
Total Revenue	\$370,000

Operating Expenses	Amount	% of Revenue
Rent	\$60,000	16%
Utilities (water, electric, gas)	\$92,500	25%
Labor (part-time attendants)	\$37,000	10%
Maintenance & Repairs	\$18,500	5%
Supplies (detergent, bags)	\$11,100	3%
Insurance	\$11,100	3%
Marketing	\$7,400	2%
Miscellaneous	\$11,100	3%
Total Operating Expenses	\$248,700	67%

Financial Summary	Amount
EBITDA (Net Operating Income)	\$121,300
Net Margin	33%
Debt Service (SBA loan, \$297,500 @ 7.5%, 10yr)	\$42,500
Cash Flow After Debt Service	\$78,800
Owner Down Payment	\$52,500
Cash-on-Cash Return	150% (Year 1)
ROI on Total Investment	35%

Notes:

- This is a conservative model (33% net margin)
- Revenue growth of 5-10% year-over-year realistic with improvements
- Cash-on-cash return exceptionally high due to leverage
- After loan payoff (Year 10), owner nets full \$121K+ annually
